Final Note by the First Member of Council.

Subject:—

Appropriation of savings effected by the abolition of rest houses.

—•—

In soliciting kind reference to my Final Note dated the 3rd April 1924 recommending the abolition of rest houses. I beg to state that the proposal having been graciously approved, G.O. No. 1462-79/Muz.268-22-11 dated 17th April 1924 was issued sanctioning the abolition of the rest houses; and the question of utilizing the savings effected thereby for meeting the urgent additional requirements of the Tirupathi temple, Tulamasa santarpane at Paschimavahini the Barahazar Santarpane at Subrahmanyam, the feeding at Mysore during Dasara &c. ~~items~~ was taken up for consideration and the proposals of the Muzrai Commissioner were called for in the matter.

2. It is ascertained that the annual savings effected by the abolition of the Muzrai rest houses amounts to about Rs.10,900. Adding to this an interest earning of Rs.3,125 per annum on the investment in 6½% State loan of a sum of Rs.50,000 from the accumulated savings at the credit of the chattrams and rest houses abolished under the several orders of Government (G.O. Nos. 804-17/M.F.177-10 dated 11th October 1916, 1462-79/Muz. dated 17th April 1924 and 1671-3/Muz.283-23 dated 17th May 1924) the total annual savings has amounted to Rs.14,025. Out of this, a sum of Rs.4,564 has been sanctioned as an additional grant to the Tirupathi chattram with the approval of His Highness: and a grant of Rs.750 per annum

To the chattram at Chickballapur	Rs.150	been made to the
To the Veerasaiva Anathalaya at Mysore	600	ally-noted institu-

leaving a balance of Rs.8,709 still available for other purposes.

3. The Muzrai Commissioner has proposed in his letter No. C.4091/22-23 dated 23rd February 1925 that out of this balance, a sum of Rs.5,650 may be made available for additional expenditure as follows, as the sanctioned grants under these heads have been found quite inadequate of late years owing to the prevailing high prices of food stuffs, necessitating the grant of additional funds every year:-

	Present grant.	Additional grant required.
1. Barahazar Santarpane ...	Rs. 2,450	1,750
2. Tulamasa Santarpane ...	1,500	1,500
3. Mysore Dasara feeding ...	1,500	1,500
4. Sivakuta feeding at Nanjangud	2,700	900

With regard to the proposal for the enhancement of the grants for Barahazar and Sivakuta santarpanes, some further particulars are required and on their receipt, these cases will be separately dealt with. As regards the other two items viz., Tulamasa and Dasara santarpanes, in view of the fact that the average expenditure under these heads for the past 5 years has amounted to Rs.2,476 and 2,872 respectively, I am of opinion that the allotments therefor may be increased by Rs.1,000 and Rs.1,300 respectively thereby raising the annual grants under these heads to Rs.2,500 and Rs.2,800 per year respectively as against Rs.1,500 each at present. I beg to solicit the gracious approval of His Highness to the proposal.

To

K.V.Anantaraman, Esq, B.A.
Secretary to the Government of His Highness the Maharaja
of Mysore, Revenue Department.

Sir,

With reference to your letter No.671/M.F.90-24-3 dated 10th November 1924 and subsequent communications regarding the excess expenditure required for the Barahazar Santarpane and feeding in connection with certain other Institutions, I have the honour to submit herewith a statement showing the actual expenditure incurred since the year 1919-20 on account of each of the marginally noted

1. Barahazar Santarpane at Subrahmanya
2. Tulamasa Santarpane at Seringapatam and Paschimavahini
3. Feeding in the Maharaja's chattram at Mysore during Dasara
4. Sivakoota at Nanjangud

Institutions and the excess allotment required therefor and to state as follows:--

2. The Institutions named above are very ancient and important ones and the principle followed in the Mysore chattram on the Tirupati Hills that no pilgrim resorting thereto should be refused food is strictly observed in these Institutions also. It is on account of a close adherence to this policy that excess expenditure is being incurred year after year. The rise in the prices of foodstuffs has in the main contributed to this incurred expenditure. These charities were founded nearly a century ago and have been maintained on this basis and it does not seem expedient to change the method of their working thereby giving cause to a certain amount of public dissatisfaction. - - Without subscribing to a doctrive unlimited expenditure, it seems

to me that there is not sufficient reason at present for change of policy as the additional grant asked for is not large andcan be met from available resources. I am therefore of opinion that it is very necessary that the resources of these Institutions should be augmented commensurate with their present days requirements. Having regard to these considerations and to the observations contained in your letter No.1534/Muz.430-20-8 dated 13-10-22 I submit the following proposals for the orders of Government.

3. Barahazar Santarpane.

The temple of Sri Subrahmanyaswami is one of the most renowned and holy places in India and the Champa Shati festival held in connection with it is the most important annual celebration attracting a large concourse of people from all parts of India.

Feeding on the occasion is conducted both in the temple and Sri Sampushta Narasimhaswami Matha for 20 days at the cost of Government under the supervision of the officers of the Hassan District deputed for the purpose. The grant of Rs.2000/- which was fixed at the time the charity was founded is seen to be wholly inadequate in recent years and special grants are being invariably sanctioned every year. From the statement appended it will be seen that the average expenditure amounts to Rs.4191-0-0 a year. Deducting from this the sum of Rs.450-0-0 made available from out of the tasdik grants of the Bisle chattram for conducting feeding at Bisle and Sakalespur the expenditure on account of Barahazar Santarpane comes to Rs.3741-0-0. Deducting again the budgetted grant of Rs.2000-0-0 a sum of Rs.1741-0-0 will be required if the charity is to be placed on a sound footing. I beg to recommend that an additional sum of Rs.1750-0-0 may be made available for the Barahazar Santarpane.

4.Tulamasa Santarpane, and Feeding during Dasara.

From the appended statement it will be seen that against a fixed grant of Rs.1500/- for each of the above two items, an expenditu of Rs.2476-6-8 for the former and Rs.2872-2-1 for the latter is being incurred on the average. The Huzur Secretary to His Highness the Maharaja who was consulted in the matter is of opinion that an - excess allotment of Rs.1500/- under each head may be provided for.

Having regard to the virtue and sanctity attached to the feeding duri "Tulamasa" at Seringapatam and Paschimavahini-situated as these places are on the banks of the river Kaveri- and to the special and unique occasion of feeding people in Mysore in connection with the annual Dasara festivities, I am in agreement with the Huzur Secretary and beg accordingly to recommend that an additional sum of Rs.1500/- may be sanctioned in respect of each of the two Institutions.

5. Sivakoota at Nanjangud.

The temple of Sri Srikanteswaraswami is the most importar Saiva Institution in the State, It has got innumerable devotees outside Mysore and pilgrims will be pouring in thoroughout the year. There is a Sivakoota attached to the temple and it has been the immemorial practice to feed without restriction pilgrims desiring to partake of Godi Prasada. The temple tasdik Patti makes a provision of Rs.2700/- a year for feeding in the Sivakoota and the average expenditure is said to be Rs.3100-0-0. There have been numerous complaints in regard to the feeding. Owing to the slender resources o. the temple and its various requirements it has not been possible to affect reforms in this direction. The Deputy Commissioner estimates that at least Rs.3600/- a year i.e. Rs.900/- in excess of the present allotment will be required if the feeding is to be conducted satisfactorily. I beg to recommend that an additional sum of Rs.900/- may be made available for the purpose.

6. These recommendations absorb a sum of Rs.5650/- a year and leave a balance of Rs.3267-0-0 (exclusive of the sum of Rs.250-0-0 made over to the Kolar temples) out of the "chattram savings Fund"(Vide this office letter C.No.579/24-25 dated 18-12-24) .

As observed in para 4 of Government Order No.804-17/M.F.177-14- dated 11-10-1916 the working of certain chattram within the State and situated at important centres, such as Mulbagal,Ramanathapur,Tirumakudlu agumbi etc, requires re-examination. It seems to be very necessary that a few of the remaining chattrams at least- which now

work only for a comparatively small number of days in a month- owing to the inadequacy of the grants, the large.number of travellers that resort thereto and the prevailing high prices- should be placed on a footing of greater usefulness. This question will be taken up and definite recommendations in individual cases submitted separately for the orders of Government. The balance of Rs.3267/- referred to a ove may therefore be reserved for this purpose and to meet any unforseen items of expenditure not in consistent with the object of the original grant(viz for chattrams)

I have the honour to be,

Sir,

Your most obedient servant,

V.V. Balasundaramayya

Muzrai Commissioner.
